

Thank You M'am Inference Chart
Details About Character

What I Infer

The boy tries to steal a purse, he has a dirty face but he is being respectful to the woman

In two sentences tell me about the boy and his life

The boy doesn't want to be mistrustful- he purposefully sits where she can see him

The boy wants to go to the store because ...

He is polite to the lady but leaves without saying more than thank you

Roger might have also wanted to say
